TEAR ALONG PERFORATION

Thank You

Thank you for being an important contributor to the Lowther Hall community.

We look forward to your involvement in ensuring the best possible education for our inspired girls both now and in the future. We value all gifts, no matter their size and we look forward to your participation and support.

Why Your Gift Matters

- Q.** Don't tuition fees go towards funding new facilities and programs?
- A.** Lowther Hall, like all leading independent schools, commits a great bulk of the tuition fees received each year to cover day-to-day running costs such as teaching and staff salaries, and maintaining and operating the extensive array of facilities available to students. Any small surplus left over can in no way meet the current or future capital works needs of the School.
- Q.** We can't afford to donate very much. Will my gift really make a difference to the School's current and future educational and building programs?
- A.** The vast bulk of philanthropic money raised by Lowther Hall has come via relatively modest donations from current and past parents, Old Grammarians and other friends of the School. Annual Giving has been reintroduced to provide additional educational resources and facilities for our girls. Gifts made to Annual Giving have an immediate and important impact on the lives of our students and small regular gifts will result in a huge benefit to Lowther Hall.

Annual Giving
2017

NON NOBIS SOLUM

Inspired Girls

Annual Giving is an opportunity for all members of the Lowther Hall community to demonstrate their commitment to our girls and show support for the value of a Lowther Hall education.

This is your chance to really make a difference in the lives of students at Lowther Hall, both now and in the future.

Annual Giving is all about participation and gifts of every size make a significant and positive impact on our learning community.

Through your support of Annual Giving in 2017, you will enable Lowther Hall to continue to provide excellence in education for our girls.

You will help them to become the very best they can be, allowing them to learn, to grow and make their mark on the world... *inspired girls* who will in their turn go on to become *inspiring women*.

Excellence in the Arts

A new precinct for excellence in the Arts is currently under construction and is adjacent to the *Joan M Garde Cultural Centre*. Scheduled for completion at the end of this year, the precinct will feature a state of the art recital space, a fully equipped drama studio and a purpose built digital media classroom. The recital space will be named in honour of long-serving music teacher *Miss Mary Thurman* who made a significant bequest to the School in support of music at Lowther Hall.

The new Arts Precinct provides an exciting opportunity for you to show your ongoing support for the School. The relocation of the drama studio to this area will enable the upgrade of the *Joan M. Garde Cultural Centre* to be commenced.

Performance Space Seating

You have a unique chance to be forever part of Lowther Hall through the naming of a seat in the new performance space or in the refurbished Cultural Centre. This is a very special way to be part of Lowther Hall. A brass plaque acknowledging your support for the School will be attached to a chair in the performance space or the balcony of the Cultural Centre. This is a special way for you to be remembered or to honour your family in a very tangible way and to be recognised and acknowledged for your support for Lowther Hall.

Gifts to the Building Fund are tax-deductible.

Transforming Lives

Scholarships have a profound and personal impact on the lives of girls who otherwise may not be able to attend Lowther Hall. Girls on scholarships enrich us and make a valuable contribution to our School. Scholarships not only transform lives, they also enhance and broaden our learning community. We are seeking to enable young women to come to us, to learn with us, to contribute to us and to make a tangible and positive contribution to School life at Lowther Hall.

Gifts to the Scholarship Fund are tax-deductible.

Securing the Future

A gift to the Endowment Trust is an investment in the long term future of Lowther Hall. Gifts made to the Endowment Trust are invested for perpetuity and the interest generated from these investments is used for much needed projects at the School.

Gifts to the Endowment Trust are not tax-deductible.
