Early YEARS CENTRE

New Early Years Centre Opening in 2018 for Kindergarten, Prep and Year 1 girls

The grouping of our youngest learners together in their own purpose-built, state of the art space, will enable us to deliver their programs in ways that are most suitable for them – with high levels of intervention to enable each girl to make good progress in literacy and numeracy.

If you are interested in your daughter commencing her "Lowther Journey" in 2018, please contact our **Director of Admissions, Ms Sandy Nelson**
