Kindergarten
to Year 12

1. PURPOSE OF THE WARDROBE

We have a uniform for a variety of reasons. A uniform fosters a sense of belonging, it helps us to represent the School within the community and it reduces the focus on what girls wear in comparison to others.

The Lowther Hall uniform seeks to be fit for the School environment, with different items for different age groups and different activities.

2. REQUIREMENTS

- All items of uniform must be clean in appearance. There should be enough items purchased to ensure a clean garment is worn to School each day.
- All items should be of an appropriate size for each student.
- Garments should be kept in good repair.
- The uniform should be worn neatly.
- All items of uniform should be clearly named. It is recommended that student name tags be ironed or sewn on to each item/garment rather than written. Name labels should be on the **inside** of garments only.
- No visible items may be added to deal with changes in the weather. Families are expected to purchase a variety of items that have been designed for various Melbourne weather conditions.

The student body is divided into **four sections** as follows:

Blinkbonnie House	Kindergarten to Year 1
Raymond House	Year 2 to Year 6
Sampford House	Year 7 to Year 9
Grant House	Year 10 to Year 12

3. BLINKBONNIE HOUSE UNIFORM

Girls in Blinkbonnie House (Kindergarten to Year 1) have a unique range of garments to wear. These garments have been designed to enable students to move comfortably throughout the school day.

Old style (pre-2018) EYC uniform and/or Sport Uniform items are not able to be worn by Blinkbonnie students.

A list of Blinkbonnie House uniform items is available in Appendix 1.

4. YEAR 2 TO YEAR 12 ACADEMIC WARDROBE

In Years 2 to 12, during a regular school day, and for the majority of classes, a trans-seasonal academic uniform/wardrobe is worn.

Pre-2018 “summer” and “winter” uniform items and/or garments cannot be worn.

There is also a **Sport Uniform** for PE and Sport and other specific uniform items for various activities and competitions. On designated days, students may also be given permission to wear the Sport uniform to and/or from school and to wear it to non-sport classes.

The **VCE “hoodie”** is designed each year by the Year 12 cohort, led by the School Captain. The design is approved by the School but the item is not part of the “official” uniform. The VCE “hoodie” is therefore not permitted to be combined with any other aspect of the School or Sport Uniform when **OUTSIDE THE SCHOOL GATE**.

Sometimes, special customised clothing may be arranged for a sport, team or activity. These items must always be approved by the School, via application to the Principal, prior to design and production.

4.1 BEYOND THE SCHOOL GATE

Girls are representing the School when out and about at the beginning and end of each day, whether this be as they wait to be collected, catch public transport, walk, visit the shops or simply get in or out of a car in the school drop-off zone. This is also the case when girls are on excursions or when Senior girls leave the premises during breaks.

At these times, the uniform should be presented in a complete state, with the blazer always worn.

The jumper or vest must never be worn as the outer garment at these times.

In warm temperatures during the middle or at the end of the day, the blazer may be removed and the shirt or dress worn as the visible garment. In Senior School (Years 7 to 12) girls will make this decision for themselves, and in Raymond House (Years 2 to 6) they will be directed by staff.

In Term 1 and Term 4 the formal hat should be worn outside the school gate when girls are not under cover.

On designated days, various groups of girls undertaking physical activities, may be given permission to wear the Sport Uniform to and/or from School.

The following must not be worn to and from school as part of the Sport Uniform:

- bike shorts
- skort
- competition specific items (eg netball dress)
- dance tights

A list of uniform item requirements and wardrobe options is available in Appendix 1.

4.2 ACADEMIC WARDROBE YEARS 2 TO 12

Items of the School's range of academic wardrobe coordinates are trans-seasonal and can be worn throughout the year.

Students together with their families can choose items from a range of garments that best reflects the individual's personality, daily needs and identity.

Girls are encouraged to select a range of items and to be confident in their personal preferences rather than thinking about what others might wear.

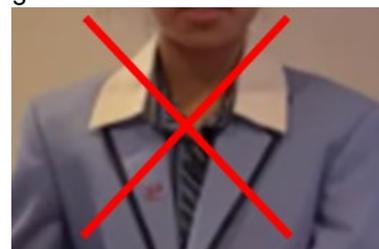

A list of uniform item academic wardrobe items is available in Appendix 2.

5. ACADEMIC WARDROBE RULES

The following rules apply:

- The blazer is always worn to school.
- The blazer is always worn on official occasions, including excursions, unless otherwise advised.
- The blazer is always worn home from school and when outside the School grounds. The only exception to this is when the temperature is extremely warm, in which case it may be removed and carried, leaving the shirt or dress as the top garment.
- The blazer is usually worn unbuttoned, unless otherwise advised.
- Badges can only be pinned to the lapels of the blazer and must be School related and approved.
- Jumpers or vests may not be worn outside the School as an outer garment and can only be worn under a blazer outside the School.
- Jumpers are not to be worn across the shoulders or tied around the waist.

- The Year 12 “hoodie” is not to be worn with any part of the School uniform outside the school grounds.

- In Terms 1 and 4 the formal hat must be worn at all times outside the School grounds whilst a student is not under cover.
- The hat and hat band should be well-presented and the hat should be worn so that the crest is front and centre of the band.
- On application to the Principal, a navy blue head scarf may be worn.

These shirts may only be worn to and from school if they are covered by a zipped up sport jacket or rugby jumper and not visible as an outer garment, otherwise students must change into and out of their House polo shirt at school.
- On the days that Raymond House students are permitted to wear their sport uniform to and from school, they may wear the optional sport leggings to and from school.
- All students are required to wear either the Bucket Hat (Kindergarten to Year 12) or the Sports Cap (Term 4, Year 6 and Years 7 to 12) during outdoor Physical Education or Sports activities during Terms 1 and 4 between the hours of 11.00am and 3.00pm. Wearing a Bucket Hat or Sports Cap to school is not necessary and it can be stored in a locker so that it is available during the school day.

6.1 SPORT UNIFORM - COMPULSORY

The Sport Uniform must be worn for all PE classes and Sport sessions. The Sport uniform is designed to be mix'n'match so various combinations can be worn unless specific instructions are provided by the School staff for particular sports and/or activities.

12. CARE AND LAUNDERING

Items should be well cared for and carefully stored. Students should be supported to fold, hang and handle uniform items in ways that will maintain them and reflect respect for the School brand.

Laundering and/or dry cleaning information in relation to each item of school wear can be found on the care labels sewn inside each garment. Care instructions should be strictly adhered to in order to avoid any shrinkage or fading.

Garments that can be laundered should not be washed in concentrate detergents and should be dried in the shade.

Special care should be taken if ironing any item of the sport uniforms. The letters on these garments are sometimes plastisol and will be damaged if not ironed inside out.
